INFORMATION DISCLOSURE STATEMENT

Sir:

This is an Information Disclosure Statement filed in accordance with 37 CFR 1.98.

Attached is a Form PTO/SB/08 identifying each of the six (6) references cited in the International Search Report issued by the European Patent Office in connection with the above-identified International Application. As can be seen from the enclosed English language copy of that Search Report, all of the references are indicated as being in Category X with regard to different combinations of the claims.

It is further noted from the attachment to the International Search Report that identified German reference DE 29 35 504 corresponds to US 4,342,339, which is likewise identified in the attached Form PTO/SB/08,

JC17 Rec'd PCT/PTO 16 JUN 2005

No copy of any of the identified references is enclosed since copies are presumed to already be in the file due to having been forwarded by the European Patent Office as a result of an existing treaty, and/or to be US patent references for which no copies are required. However, if no such copies of the references are in the file and/or a copy of one or more of these references is desired, please request a copy of the desired reference from undersigned counsel and it will be supplied.

The attached Form PTO/SB/08 also identifies two further references, i.e., DE 195 48 176 cited and discussed in the present application on page 2, and US 6,009,918 that is a counterpart of EP 0874930 cited and discussed on pages 1 and 2 of the present application. A copy of reference DE 195 48 176 is attached. It is further noted that two of the references cited in the International Search Report, i.e., DE 29 35 504 and DE 100 35 886, are also cited and discussed on pages 2 and 3 of the present application.

Since all requirements for the filing of Information Disclosure Statements have been complied with, it is requested that the Examiner consider all of the identified references and indicate such consideration by enclosing a properly initialed copy of the enclosed Form PTO/SB/08 with the initial Office Action.

Respectfully submitted,
